§6–614.

(a) A charitable organization or a charitable representative may not in a grossly negligent way:

(1) fail to submit to the Secretary of State when required a registration statement, annual report, or other information; or

(2) submit to the Secretary of State a registration statement, report, or other information that is materially false.

(b) A director, officer, partner, or trustee of a charitable organization or charitable representative may not cause the charitable organization or charitable representative to violate this title in a grossly negligent way.
